

Medical Energy Rebate

Application form: Retail customers

This form is to be used by residents who receive an energy bill from a retailer of their choice.

\$285

The NSW Medical Energy Rebate helps you pay your electricity bills if you or someone living with you has been diagnosed as unable to self-regulate body temperature when exposed to extreme hot or cold environmental temperatures. To be eligible for the rebate, you'll need to have a medical diagnosis that you're unable to self-regulate your body temperature.

Contact your energy retailer if you have any questions about this rebate.

Before you start

Before filling in this application please ensure you have:

your customer reference number (CRN - issued by Services Australia) or your Department of Veterans' Affairs (DVA) number

your personal and contact details

a signed and completed medical practitioner declaration (PDF/JPEG format) to upload with this form (the medical practitioner declaration is on page 5 below)

your energy retailer's details.

Checklist

Eligibility criteria

To be eligible for this rebate you must:

be a current NSW resident

be a customer of the retailer, and be named on the electricity account for supply to the applicant's principal place of residence

submit a valid application form provided by the Department, signed by a registered medical practitioner (who is not the applicant) to verify that the customer named on the bill or another person who lives at the residence is unable to self-regulate body temperature as defined by the qualifying conditions in the medical declaration on page 7, and

hold a Pensioner Concession Card issued by Services Australia/DVA, a Services Australia Health Care Card, or a DVA Gold Card.

Commonwealth Seniors Health Card (CSHC) holders are not eligible for this rebate.

If you hold a CSHC you can instead apply for the Seniors Energy Rebate online at:

Important information

The rebate for qualifying applicants is calculated at a daily rate and applies from the date your application is received by your electricity retailer. The rebate will be credited to your electricity account and displayed on your bill. You will receive \$285 per year, or approximately \$71 per quarter.

The rebate will continue to be applied to your account providing you remain eligible. If you change electricity retailers you will need to complete a new application, including providing a new signed medical declaration from your doctor.

Any questions regarding your Medical Energy Rebate should first be directed to your retailer.

If you are submitting this application under a power of attorney you must attach a certified copy of the power of attorney with this application.

Privacy Notice

The Department of Planning, Industry and Environment (the Department), located at 4 Parramatta Square, 12 Darcy Street, Parramatta NSW 2150, is subject to the *Privacy and Personal Information Protection Act 1998* in managing your personal information.

Your energy retailer and the Department are collecting your personal information for the purposes of processing your application for an energy rebate (including assessing your eligibility), paying a rebate to you if you are eligible, administering the energy rebates scheme and auditing the rebate program which may include surveying customer experiences. In completing this form you may provide the personal information of another person. Before you provide this information you must seek the consent of that person to disclose their information to your energy retailer and the Department, and for it to be used in accordance with this Privacy Notice.

Your energy retailer will disclose your CRN or DVA number to Services Australia to determine whether you qualify for the rebate. Your energy retailer and the Department may disclose your personal information to a third party engaged to carry out an audit of the rebate. Your energy retailer and the Department will not disclose your personal information to anybody else unless authorised by law.

Applying for this rebate is voluntary. However, if you decide to apply, unless otherwise noted, all personal information requested directly from you must be provided to your energy retailer for your retailer to process your application.

You have the right to access the personal information that the Department holds about you. You also have the right to request that the Department updates or amends this information. For further details, email: rebates@energysaver.nsw.gov.au.

Medical assessment

To meet the criteria for this rebate, the patient must have been assessed by registered medical professional who has been treating them for at least 3 months, where the patient:

- has an inability to self-regulate body temperature, and
- meets one of the four primary qualifying conditions and one of the three secondary qualifying conditions listed in the table.

Medical practitioner declaration

I certify that the patient has an inability to self-regulate body temperature. I have been treating the patient for at least 3 months/this patient has been treated by the Royal Flying Doctor Service in remote and regional NSW for at least 3 months, and they meet at least one primary and one secondary qualifying condition as indicated in this table:

Primary qualifying conditions (select at least one)	Check box
Autonomic system dysfunction (medical conditions in which the autonomic system has been damaged, such as severe spinal cord injury, stroke, brain injury and neurodegenerative disorders).	
Loss of skin integrity or loss of sweating capacity (e.g. significant burns greater than 20% of the body, severe inflammatory skin conditions and some rare forms of disordered sweating).	
Objective reduction of physiological functioning at extremes of environmental temperatures (e.g. advanced multiple sclerosis).	
Hypersensitivity to extremes of environmental temperature leading to increased pain or other discomfort or an increased risk of complications (e.g. complex regional pain syndrome and advanced peripheral vascular disease).	
Secondary qualifying conditions (select at least one)	Check box
Severe immobility, such as occurs with quadriplegia or high-level paraplegia, particularly above mid-thoracic level (T7) resulting in problems with self-regulation of body temperature due to loss of sympathetic nervous system control.	
Demonstrated significant loss of autonomic regulation of sweating, heart rate or blood pressure.	
Demonstrated loss of physiological function or significant aggravation of clinical condition at extremes of environmental temperature.
